Although there is uncertainty at this point about the status of our grant submitted to the State in February 2021, TAD has an opportunity to procure a 2023 chassis to remount #1901 (VIN 7420) which is used for inter-facility transfers and has 219,000 miles since first being added to the fleet in April 2919. Due to Ford Motor Company canceling our purchase order for a new chassis and State of Colorado timeline for grant satisfaction, your vote is required IMMEDIATELY.
